

WAVELL JUNIOR NETBALL LEAGUE - WINTER LEAGUE 2018/19

Code of Conduct for Junior Players

- N** Never disrespect others including team mates, umpires, spectators and opposition. Respect the rights, dignity and worth of all people involved in the game, regardless of gender, race, colour, disability, sexuality, age and religion

- E** Enjoy your sport but do not use social media to bring the game into disrepute or make inappropriate comments about team mates, opposition, coaches or officials.

- T** The umpires make the decisions during the game. Never question them or be rude to them; accept their decisions and learn from them. Their word is final.

- B** Be modest in victory and gracious in defeat. Whether you win or lose always acknowledge the other team and the umpire at the end of a game with a handshake and 3 cheers.

- A** Always assist with the setting up or clearing away of your court – netball posts do not move by themselves! All 6pm players should help put the posts out and all 8pm players should help in putting them away.

- L** Learn the rules, know them and play by them.

- L** Love the sport you play, enjoy it and ensure others enjoy it too. Most importantly; have fun!
